<p>3 American Colleges of Surgeons</p>	<p>The F.A.C.S is a controversial diploma. There is no examination for the F.A.C.S. except the recognition of candidates by the college on the work and professional experience and position of the candidate. This is usually awarded to Indians who are already professors and who possess the qualification: like M.S. or F.R.C.S. etc. However in exceptional cases the Diploma is awarded to persons who do not possess the P.G. qualification capability and experience. In such cases, it is for the Medical Council to assess the individual candidates merits in recommending for teaching appointments (The above recommendations of the Medical Council was accepted by the Syndicate at its meeting on 29-01-63 GA/6/2619/62 dated 19-02-1963)</p>
